

We follow Montgomery County *Government* closings, not school closings.

We will keep you informed with up-to-date information regarding closures on our website CabinJohnIce.com as well as on [Facebook](#) & [Twitter](#).

You may also sign up to receive the latest [Parks Alerts](#) as they happen through the county's [Alert Montgomery](#) system!

PLEASE NOTE: If our building loses power, our phones do not work and you will hear a busy signal.
