

Private Rental Option

If you would prefer a private function with more flexibility on times, you have the option to rent the ice for \$325/hour.

With a private rental you get the first 100 admissions free, skate rentals (for those who need them) are an additional \$3.25/person.

If you are expecting more than 100 skaters, no problem, when paid in advance the admission is only \$4.50/person or \$6.50/person the day of your event (rink capacity is 450).

Please note: Private rentals cannot be a "Skate for your School" event.

Skate for your School

How it works...

“Skate for Your School” is a great fundraising program!

In a nutshell, you schedule a skate date, you spread the word throughout the community about your skate date and ask people to come skating (at a reduced rate - \$6.50 per person including the skates) to support your school.

After the skate date, we give 15% of the total admissions back to your school. It’s easy to organize, great exercise, and fiscally responsible, too.

Contact the Skating Director to set up a skate date for your school soon.

We are happy to create a flyer for your School to copy and distribute – Just let us know!

Book your Skate Date!

Please contact the Skating Director at 301-905-3000 before completing your form to check availability. Drop off your application at the Wheaton Ice Arena, or mail it to:
