Please Note: "OPEN" in these charts signifies that there are no group lessons scheduled for these hours on these courts. However, during any given hour, one of the six courts may be held open for spot time players. The court reserved for spot time each hour varies, and is *not* reflected in this schedule. Also, special events, holidays, facility closures and other extenuating circumstances may affect this schedule. The schedule is subject to change. The charts above are meant to give seasonal court time prospects a more complete picture of the court time schedule, in order to aid the selection process and increase the odds of securing their first choice of the day of the week, time of day, and court in the lottery process.
