

## **COMMUNITY MEETING** **Laytonia Recreational Park** **Updated Concept Plan**

Montgomery Parks, M-NCPPC, invites you to participate in a meeting to discuss a revised concept plan for Laytonia Recreational Park. The park is located on Airpark Road, just north of the Muncaster Mill Road intersection. The facility plan for the park was originally approved by the Planning Board in 2001. Since that time, the park site was incorporated into the Upper Rock Creek Special Protection Area for water quality, and the recreational needs of the County have evolved. An updated concept plan will be presented for your input. The park is proposed to contain four recreational fields (one 90' baseball diamond and three rectangular multipurpose fields), parking for 240 cars and additional overflow spaces, playground, trails, rest rooms, and a maintenance building.

**WHEN: Wednesday, April 7, 2010**  
**TIME: 7:00 pm - 9:00 pm**
