Montgomery Regional Office (MRO)

-----------------

Please join our park planners at a public meeting to learn about this innovative and creative countywide park plan. Our goal is to build stronger, healthier and happier communities in the county’s areas of highest population by creating outdoor spaces where people of all ages and incomes can meet, play, relax, exercise and enjoy nature and more, in parks and open spaces.

Parks staff will present the scope of work and preliminary findings, listen to your questions and ideas. This plan is part of the Parks and Recreation of the Future: Voice Your Vision campaign.

Additional information about the project, schedule and how to provide input into the plan is on our website at MontgomeryParks.org.
