Cabin John Ice Rink invites you to participate in the 2017 Cabin John Summer Skate Invitational on Saturday, June 10, 2017 at Cabin John Ice Rink, 10610 Westlake Dr., Rockville, MD, 20852.

Eligibility and Liability:

The 2017 Cabin John Summer Skate Invitational is open to all skaters who are current eligible (ER 1.00) members of either a Learn to Skate USA program and/or are full members of U.S. Figure Skating. To be eligible, skaters must have submitted a membership application or be a member in good standing. Members of other organizations are eligible to compete but must be registered with the host LTS USA program/club or any other LTS USA program/club.

Eligibility will be based on skill level as of the closing date of entries (May 13, 2017). All Snowplow Sam and Basic Skills 1-6 skaters must skate at the highest level passed or one level higher and NO official U.S. Figure Skating tests may have been passed including MIF or individual dances. For the Basic Free Skate levels, Test Track, and Well Balanced levels, eligibility will be based only upon the highest free skate level passed (MIF test level will not determine a skater's competitive level). Skaters may skate at the highest level passed or one level higher, but not both levels in the same event during the same competition.

U.S. Figure Skating and Cabin John Ice Rink accept no responsibility for injury or damage sustained by any participant in this competition. This is in accordance with Rule 3222 of the official U.S. Figure Skating rulebook.

Entries and Fees:

All entries must be postmarked by May 13, 2017 and are limited to the first 120 applications (if limitations on number of entries are needed). Late entries will be accepted only if the limit has not been reached and at the discretion of the organizers. Entry fees are per person, U.S. Dollars. No refunds will be made unless the event is cancelled by Cabin John Ice Rink. Entry forms must be filled out completely and returned with a check made payable to Active Montgomery. Entry fees are:

Facilities:

The competition will be held at Cabin John Ice rink in the NHL rink. The ice surface is 100' x 200' with slightly rounded corners. A snack bar, skate shop, and dressing rooms will be made available during the competition. There will be a registration desk located in the lobby where skaters should check in an hour before their event. There will also be a rink side ice monitor where skaters should check in 30-45 minutes prior to their event.

Official Notices: An official bulletin board will be maintained at the main entrance of Cabin John Ice Rink. It is the responsibility of each competitor, parent, and coach to check the bulletin board frequently for any schedule changes and/or additional information. Skaters are requested to arrive 45 minutes prior to the scheduled time of their event. A tentative schedule of events will be emailed to all competitors and coaches prior to the competition.

Coaches:

Coaches must be current USFS coach members or registered Learn to Skate USA instructors.

Music:

The skater must provide their own music for all free skate and showcase programs on CDs only. Due to compatibility and reliability reasons no music may be submitted on re-recorded "CD-RW" discs. CDs should be clearly marked with the skater's name, event, and length of music. Competition music should be turned into registration at least 1 hour before the event and a suitable backup should be rink side with the skater's coach.

CDs can be picked up at the registration desk after their event. The organizing committee will not accept responsibility for damage or loss of music but will take every precaution to ensure their safety. Rules governing music selection can be found in the U.S. Figure Skating rulebook, rules 3501-3506.

Solo Pattern Dance

- Levels are based upon the skaters' highest pattern dance test passed.
- A solo pattern dance competition event will consist of the skater performing two solo pattern dances.
- The patterns to be skated depend upon which quarter of the year the competition is held. The skater will perform the two pattern dances listed for his/her level, based upon the date of the competition. If the competition falls over two quarters (for example, June 30th – July 2nd), the dance will be selected based on the start date of the competition listed in the announcement (in this example, the 2nd quarter).
- Skaters will complete both of the dances at each level. Dances will be scheduled at the discretion of the Chief Referee for each competition and may be competed consecutively or with a break in-between pattern dances groupings.

Level	First Dance	Second Dance

Pre- Bronze	Fiesta Tango	Swing Dance

Spins Challenge

- Spins may be skated in any order. Connecting steps are allowed, but will not be taken into consideration in scoring. Spins may not be repeated. Only required elements may be included.

Showcase Events

Showcase events are open to skaters in Basic, Free Skate, Limited Beginner through Preliminary and Adult Bronze. Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher. Vocal music is permitted.

Show costumes are permitted, if they do not touch or drag on the ice. Props and scenery must be placed and removed by unaided singles competitors within one minute. A 0.2 deduction will be assessed by the referee against each judge's mark for each five seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint, for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice. 6.0 Judging will be used. Deductions will be made for skaters including technical elements not permitted in the event description.
