I. Policy

Only those uniforms issued by the Division or authorized and approved by the Chief of Park Police or designee, will be worn, used or carried by affected personnel.

II. Employee Identification

The Property Specialist will issue all Park Police officers’ photo identification cards.

III. Body Armor

All officers working in a Patrol capacity will be required to wear their soft body armor panels when on duty.

IV. Issuance/Return of Uniforms

A. The Property Specialist will:
   1. Arrange for the measurement and ordering of uniforms and equipment items for all new recruits/advanced entry officers of the Division.
   2. Order uniforms necessary for duty. All uniforms will be shipped to Park Police Headquarters and at no time will uniforms be shipped directly to an employee or a substation. Upon order verification of delivery, take custody of the uniforms pending employee dissemination.
   3. Will issue employee uniforms necessary for duty and ensure all employees sign for all issued uniforms.
   4. Maintain and update an electronic database that will be utilized to track uniforms issued to employees. Maintain files by employee name with detailed and signed Uniform and Equipment Records.

B. Fitting Procedures

1. All uniform, equipment and ballistic vest fittings will be conducted in a private setting.
2. At the time of uniform, equipment or ballistic vest fittings the employee being fitted may request the presence an employee of the same sex to attend the fitting.
3. In the event that an employee does not want the vendor to perform the measurements, they may elect to:
   a. Have an employee of the same sex perform the measurements with the assistance of the vendor; or
   b. Take the Division’s or vendor’s measurement form to a private party (tailor or seamstress) to take the measurements.
   c. If an employee elects to take a form to a private party, they assume all costs associated with this option. Additionally, if an employee elects this option, all measurements will be final. If the uniform, equipment and/or ballistic vest does not fit, all alterations or replacements are at the cost of the employee.

4. The size form will be completed and returned in a time frame to be determined by the Property Specialist.

C. Uniform Tracking
   1. All issued uniforms will be entered into an electronic database.
   2. The database will be maintained by the Property Specialist.
   3. Only personnel with a need to know will have access to the database, such as, Internal Affairs and the Support Branch Chief.

D. When officers move into or out of specialized units, or are promoted, the required uniform and equipment items will be ordered, issued or returned, with the Uniform and Equipment Record and database being updated appropriately.

E. Uniform Returns and Surrender
   1. Designated Division issued uniforms will be returned to the Property Specialist upon reassignment to another section or Division, separation from service or as directed.
      - Upon transfers the Property Specialist will provide the Prince George’s County Division Property Specialist with a signed copy of the uniform and equipment record.
   2. Officers separating from the Division will contact the Property Specialist to obtain a list of items to be returned prior to the last day of employment.
   3. The Property Specialist will update the database with the returns. Both the employee and the property specialist will sign the updated “Uniform and Equipment Record.”
   4. Prior to any personnel action being completed, the Property Specialist will notify Internal Affairs and the Support Branch Chief, via the chain of command and confirm the status of the equipment returns.
a. In the event the Property Specialist does not receive all requested uniforms, notification, to include missing uniform items and the replacement value, will be made to the Support Branch Chief via the chain of command.

b. The Support Branch Chief will notify the employee that payment will be necessary for item replacement.

c. Upon notification that all issued uniforms have been returned and/or the financial obligations for uniform replacement have been met, the Support Branch Chief will advise the Division’s Personnel Coordinator to process the personnel action form.

5. The Property Specialist will update the database and will forward the updated and signed Uniform and Equipment Record to the Support Branch Chief and to Internal Affairs.

F. Maintenance of Stored Uniforms - The Property Specialist will be responsible for ensuring that stored uniform items are properly maintained for issue. X. Lost, Stolen or Damaged Uniforms

A. Officers and employees will immediately notify their supervisor of all Division issued or
approved uniforms that are lost, stolen or damaged. This includes uniforms, equipment
and employee identification cards.

B. All reasonable measures will be taken to safeguard Division uniforms from loss, theft or
damage.

C. An Incident Report will be completed documenting lost, damaged or stolen reportable
property. If the loss or damage is discovered on-duty, the report will be completed before
the end of the employee’s tour of duty. If the loss or damage is discovered off-duty, the
report will be completed immediately upon return to duty.

D. A loss or theft of reportable property will be reported to the appropriate police agency if
the loss or theft occurs outside this Division’s jurisdiction. The affected employee will
obtain a copy of any related police report regarding the loss or theft.

E. Shift Supervisors will personally complete the appropriate Incident Report when
reportable property, issued to a civilian employee, is reported lost, stolen or damaged.

F. Supervisors will conduct a preliminary review of the circumstances surrounding the loss,
thief or damage of reportable property reported by officers under their immediate
supervision, to include a Lost/Damaged/Stolen Equipment Report. When necessary
supervisors will complete a Supplement Report to the original Incident Report detailing
the results of their investigation.

G. Supervisors will ensure that a teletype is sent by Communications to all neighboring
police jurisdictions concerning a loss or theft of reportable property. The serial
number(s) of the lost/stolen item(s) will be included for identification purposes. This
teletype will be sent within twenty-four (24) hours after discovery of the loss/theft.

H. Upon notification Communications will, within twenty-four (24) hours, send an
administrative lost/stolen property message to all metropolitan area police agencies
concerning the reportable lost/stolen property. This teletype will include the serial number(s) of the lost/stolen property. If the reportable property was lost or stolen outside the Washington, D.C. metropolitan area, the lost/stolen property teletype will be directed to the primary police agency of the area where the property was lost/stolen.
